

**MEMORANDUM OF AGREEMENT
BETWEEN
THE DISTRICT OF COLUMBIA
AND
MARET SCHOOL, INC.**

I. INTRODUCTION

This Memorandum of Agreement (this “Agreement”) is entered into between the District of Columbia, a municipal corporation (the “District”), and Maret School, Inc. (“Maret”, collectively with the District, the “Parties” and each a “Party”). The purpose of this Agreement is to set forth the terms of the Parties’ agreement with respect to Maret’s serving as a District Department of Parks and Recreation (“DPR”) program partner at the Facilities (defined below) by participating in the renovation and ongoing maintenance of the Facilities, as more fully set forth herein. The District’s grant to Maret of certain priority rights to use the Facilities is set forth in that certain Use Easement and Maintenance Agreement (the “Easement”) of even date herewith by and between the District, by and through its Department of Real Estate Services (“DRES”) and Maret..

The District currently owns certain parcels of land more particularly described on Exhibit A attached hereto (the “Land”) together with the improvements located thereon. Included as part of such improvements are certain fields as more particularly shown on the site plan attached hereto as Exhibit B (collectively, the “Facilities”). DPR is a component department of the District and is responsible for the management and maintenance of the Land and the improvements thereon (including the Facilities) on behalf of the District. The District hereby designates DPR as the District department to have the responsibility to administer this Agreement on behalf of the District.

II. BACKGROUND

The mission of DPR is to enhance the physical, mental, and social well being of residents and visitors by providing quality, customer-focused leisure and learning opportunities in over four hundred (400) safe parks and facilities owned by the District. These leisure and learning opportunities are amply demonstrated through the quality, diversity, and quantity of programs that are available to the citizens of the District. DPR offers a wide range of quality and diverse leisure and learning programs to citizens of the District and the many patrons visiting the area.

The District recognizes the need to look beyond traditional approaches to provide services and look to established entities to provide programs that can broaden DPR’s outreach, expand its focus on holistic programming and make more efficient use of its recreation centers and parks owned by the District. The District may form partnerships to accomplish any of the goals or missions of the DPR.

Maret desires to participate in a renovation of, and maintenance program for, the Facilities, including performing and/or coordinating certain maintenance, beautification, and/or improvements of the Facilities, pursuant to the responsibilities outlined and agreed upon in this Agreement. In exchange for the foregoing services, Maret shall have the right to use the Facilities, including, without limitation, the right to use the Facilities as more particularly described in Section V.11 below and the Easement.

Each Party hereby represents and warrants to the other Party that (i) it has all requisite right, power and authority to execute and deliver this Agreement and to perform its obligations under this Agreement, and (ii) it has taken all necessary action to authorize the execution, delivery and performance of this Agreement.

III. TERM

The term of this Agreement (the "Term") shall commence on the date hereof (the "Commencement Date") and expire on June 29, 2020 (the "Expiration Date").

This Agreement shall be coterminous with the Easement, so that (i) in the event the Easement terminates or is terminated for any reason, this Agreement shall automatically terminate without further action or notice, and (ii) in the event the Term (as defined in the Easement) is extended or renewed, the Term of this Agreement shall be automatically extended or renewed for the same period of time without further action or notice.

IV. SCOPE OF SERVICES (THE "PROGRAM")

Maret shall perform, or cause to be performed, the following during the Term:

1. The renovation of the Facilities by installing an artificial turf baseball, lacrosse and soccer field and, to the extent necessary for such construction, relocate the existing swimming pool on the Land (the "Swimming Pool") to another location on the Land, as identified and agreed to by the District;
2. Submit bi-annual reports to DPR Office of Partnerships and Development to report any in-kind and financial contributions toward and investment in the Facilities made by Maret;
3. Cooperate in the evaluation of the renovation and maintenance of the Facilities as set forth on Attachment A to this Agreement;
4. Exclusively provide ordinary maintenance and repair to the Facilities to the extent commercially reasonable for use of the Facilities as a recreational field, and shall keep the Facilities in a clean and orderly condition; provided, however, that the Swimming Pool (whether or not relocated) and any other improvements to the Facilities installed by District or any other person or entity other than Maret, shall not be deemed part of the Facilities for the purposes of Maret's maintenance and repair obligations hereunder, and Maret shall have no obligation to maintain, repair or replace any of same;
5. Provide certification of liability insurance coverage as specified in Section VII hereof;
6. Continue to perform criminal background checks on all staff in accordance with Maret's internal policies and procedures;
7. Formally recognize DPR as a partner in promotional materials including (a) the acknowledgement of DPR's contributions in promotional materials and (b) the use of the DPR logo in promotional materials as it pertains to the partnership between Maret and DPR;

8. Ensure that no photographs of minors at the Facilities or depiction of their likeness at the Facilities is included in any Maret publication without first obtaining the written consent from the child's parent or legal guardian; provided, however, that the foregoing shall not apply to photographs taken during Maret's events at the Facilities; and
9. Reasonably collaborate with DPR on publicity efforts to promote the partnership, program activities and special events.

V. SPECIFIC RESPONSIBILITIES AND RIGHTS

1. Improvements and Approvals. During the Term, Maret shall construct an artificial turf athletic field that accommodates baseball, soccer and lacrosse. Maret shall submit all construction plans and designs for such field to DPR. Maret acknowledges and agrees that all changes and improvements to the Facilities pursuant to this Agreement or otherwise by Maret shall become the property of the District. Such improvements are to be completed within the time specified in Section 7(a) of the Easement. The provisions set forth on Attachment C shall apply to the renovation of the Facilities as contemplated by this Agreement.
2. Standards. Grantee agrees to abide by DPR's landscaping design standards and any other regulations, rules and policies of the District or DPR relating to District-owned facilities or property, including any subsequent reasonable changes and additions made to such standards, regulations, rules and policies; provided, however, that no such regulations, rules or policies or any changes or additions thereto shall materially reduce the rights of Maret hereunder or under the Easement (including, without limitation, Maret's rights to use the Facilities as set forth herein) or materially increase the obligations of Maret hereunder or under the Easement or materially increase the expense or costs to Maret of performing such obligations or exercising such rights.
3. Maintenance of Corporate Existence. In order to facilitate contributions to Maret, Maret agrees that during the Term Maret shall maintain (a) its corporate existence under the laws of the District of Columbia as a not-for-profit corporation and (b) its tax-exempt status pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, for the duration of this Agreement. The Federal Employer Identification Number of Maret is 53-0211355.
4. Community Outreach and Communication. Maret will reasonably assist DPR in posting and distributing announcements and events through Maret's website; press advisories and Maret's electronic newsletter and email messages to Maret members.
5. Financial Responsibility. Maret shall be authorized by the District to perform only those maintenance and improvement activities to the Facilities as contemplated by this Agreement and the Easement. The District shall have no responsibility or liability for any monies owed under contracts entered into by Maret.

6. Notice and Communication. Unless otherwise specified herein, any notice or communication between Maret and the District shall be provided as required in Section VI hereof.
7. Site Inspection. The District, acting through DPR, shall have the right to conduct onsite inspections at any time during the course of the progress of renovations and improvements to the Facilities carried out by Maret pursuant to this Agreement. Such inspections shall be made at reasonable times and upon reasonable advance notice to Maret. DPR shall also make an inspection no later than fifteen (15) business days following notification by Maret of the completion of any approved material renovations or improvements performed by Maret in accordance with this Agreement (including completion of the initial construction of the Facilities or any material part thereof). Maret shall forward copies of all relevant warranties and guarantees to DPR, if any, with respect to such material renovations or improvements. Following five (5) days' advance written notice to Maret (or such shorter notice as may be possible in the event of an emergency), the District reserves the right, in its reasonable discretion, to remove any dangerous condition resulting from maintenance, improvements and/or beautifications performed by Maret and not cured or corrected by Maret following such notice. The District agrees that all improvements, equipment and other materials installed by Maret at the Facilities are intended for and shall be used at the Facilities unless otherwise agreed by Maret in writing. The District agrees not to remove any items from the Facilities installed by Maret at the Facilities which do not present a dangerous condition (and then only after the notice to Maret as provided above).
8. Acceptance of Project. Pursuant to Section 1105.6 of Title 19 of the District of Columbia Municipal Regulations, improvements made to the Facilities pursuant to this Agreement or otherwise by private persons or organizations shall become the property of the District. If required, Maret and the District shall file the appropriate District government donation documents with respect to such improvements.
9. Approvals and Review. Consistent with the spirit of cooperation embodied in this Agreement, the District agrees that the District, whether acting through DPR or any other agency or department, shall (i) use its reasonable efforts to review and approve all materials forwarded by Maret which require the District's approval hereunder in a timely and expeditious manner and to provide assurance, where requested by Maret, to ensure that the Facilities meet the District's standards for safety, and (ii) inspect completed projects on behalf of the District in a timely manner. It is understood and agreed between the parties to this Agreement that any and all construction and improvements of the Facilities (other than routine maintenance and repair), including, but not limited to, landscaping and/or installation of material improvements on the Land, must be approved by the DPR in writing, such approval not to be unreasonably withheld, conditioned or delayed. . Maret shall bear any and all costs and expenses connected in any way to obtaining all required permits and licenses.
10. Maintenance. The intent of this Agreement is to augment DPR's current responsibilities with respect to the Facilities. Neither the District nor DPR relinquishes the District's duties, responsibilities and obligations with respect to the Facilities by entering into this Agreement. Notwithstanding the foregoing, as long as no Event of Default by Maret exists under the Easement, the District agrees that during the Term Maret shall be the sole and exclusive entity responsible for

maintaining the Facilities and the District shall not take any action or perform any work with respect to the Facilities during the Term except as set forth in Section V.7.

11. Use by Maret. As more particularly set forth in the Easement, the District grants to Maret the Exclusive Use (as defined in the Easement) during the times set forth on Attachment B. From time-to-time, Maret may also seek to use the Facilities outside of the times set forth on Attachment B pursuant to DPR's regular permitting process. The District hereby agrees that the District shall take reasonable actions to prevent any interruption of the use of the Facilities by Maret as granted hereby.

VI. COMMUNICATION

The Parties agree to reasonably maintain open lines of communication at all times during the Term. Except where otherwise provided in this Agreement, all notices required by this Agreement, including, without limitation, any change in the person designated to receive notices, shall be deemed properly given if sent by certified mail (return receipt requested), hand delivery, or recognized express delivery service to the person(s) designated by the Parties to receive such notice at the address listed below or to such other address or person(s) designated by either Party from time-to-time:

For the District

Director
Office of Parks and Recreation

VII. INDEMNITY AND INSURANCE

During the Term, Maret shall maintain general liability insurance, naming District as an additional insured, with respect to Maret's responsibilities at the Facilities under this Agreement and providing for limits of liability of not less than \$1,000,000 for both injury to or death of a person and for property damage per occurrence. In addition, Maret agrees that each contract between Maret and a contractor for construction of the initial improvements to the Facilities and/or the maintenance of the Facilities shall require that such contractor shall maintain a policy of general liability insurance, naming District as an additional insured, with respect to such contractor's responsibilities at the Facilities under such contract and providing for limits of liability of not less than \$1,000,000 for both injury to or death of a person and for property damage per occurrence. Maret agrees to provide copies of certificates of the insurance to DPR evidencing such insurance prior to (i) Maret's initial entry on the Land to this Agreement, with respect to Maret, and (ii) the commencement of any work under a contract at the Facilities, with respect to a contractor.

Maret hereby indemnifies and agrees to defend and hold the District and all its officers and agents harmless (i) from claims for personal injury, death or property damage arising from Maret's use of the Facilities or caused by the gross negligence or willful misconduct of Maret, its agents, employees, contractors, subcontractors or invitees, regardless of whether or not such injury, death or damage resulting from Maret's acts or omissions or defaults was caused in part by the District unless such cause is due to the District's gross negligence or willful misconduct (provided, however, that Maret's liability with respect to the indemnity set forth in this clause (i) shall be limited to the extent of the insurance proceeds paid by the provider(s) of the commercial general liability insurance required to be maintained by Maret pursuant to this Section); and (ii) from all claims, demands, fines, penalties, charges, orders, judgments and enforcement actions of any kind, and all costs and expenses incurred in connection therewith, including remediation costs, attorneys' fees and defense costs, arising directly or indirectly, in whole or in part, out of (a) the presence at the Facilities of any Hazardous Substances (as hereinafter defined) placed on the Facilities by Maret, its officers, employees, agents, contractors or invitees or any spilling, leaking, pumping or other release into the environment (collectively, a "Discharge") of any Hazardous Substance on, under or from the Facilities or the Land in violation of any Environmental Laws (as hereinafter defined) caused by Maret, or (b) any activity by any third persons occupying or present at the Facilities or the Land at the request or invitation of Maret, its officers or employees regarding the handling of Hazardous Substances in the Facilities. As used in this Agreement, the term "Hazardous Substances" means any substance, material, condition, mixture or waste that is now or hereafter defined as a "hazardous waste," "hazardous material," "hazardous substance," "extremely hazardous waste," "restricted hazardous waste," "oil," "pollutant," or "contaminant: under any provision of District, federal or other applicable law. As used in this Agreement, "Environmental Laws" means every applicable law, ordinance, regulation, judicial or administrative order or decree, permit, license, approval, authorization and similar requirement of every federal and District governmental agency or other governmental authority relating to any Hazardous Substances. Maret shall bear the risk of all loss, destruction or damage to any real or personal property constructed or placed by Maret on the Facilities and the District shall not be liable for any damage to said real or personal property of Maret for any cause whatsoever absent negligence or willful misconduct on the part of the District or its agents and employees.

VIII. ASSIGNMENT

Maret shall not assign this Agreement without the prior written consent of the District, such consent to be at the sole discretion of the District; provided, however, that any assignment of the Easement approved by the District pursuant to Section 17 of the Easement shall be deemed an approval of the assignment of this Agreement to the approved assignee of the Easement. Upon any permitted assignment of this Agreement by Maret, Maret shall have no obligations for matters arising hereunder from and after the date of such assignment, and the District shall look solely to such assignee for all such obligations arising from and after the date of such assignment, provided that such assignee agrees in writing to assume all of such obligations.

IX. MISCELLANEOUS

1. Each Party shall use reasonable efforts to not damage the property of the other Party located at or on the Facilities or other adjunct property.

2. This Agreement, including all exhibits attached hereto, and the Easement collectively represent the entire agreement between the Parties and supersede all prior agreements and understandings. This Agreement and any Park Improvement Plans may be executed in counterparts, each copy of which shall constitute an original document and all of which taken together shall constitute one single agreement between the Parties.
3. In the event that any provision of this Agreement conflicts with the law under which this Agreement is to be construed or if any such provision is held invalid by a court of competent jurisdiction, such provision shall be deemed to be restated to reflect as nearly as possible the original intentions of the Parties in accordance with applicable law and the remainder of this Agreement shall remain in full force and effect.
4. Except where expressly provided as being in the discretion of a Party, where approval, acceptance, consent or similar action by either Party is required under this Agreement, such action shall not be unreasonably withheld, conditioned or delayed.
5. A delay or omission by either Party to exercise any right or power under this Agreement shall not be construed to be a waiver thereof except as otherwise provided herein. A waiver by either of the Parties of any of the covenants to be performed by the other or any breach thereof shall not be construed to be a waiver of any succeeding breach thereof or any other covenant herein contained.
6. Any provision of this Agreement expressly identified as surviving termination or expiration of this Agreement, as well as any provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement, shall continue in full force and effect following any such termination or expiration.
7. This Agreement is entered into solely between, and may be enforced only by, Maret and the District. This Agreement shall not be deemed to create any rights in third Parties, including suppliers and customers of a Party, or to create any obligations of a Party to any such third Parties.
8. This Agreement or a memorandum thereof may be recorded in the land records of the District, the cost thereof to be borne solely by the recording Party.
9. Maret shall not discriminate against any person because of race, creed, color, religion, sex, national origin, age, marital status, personal appearance, sexual orientation, family responsibilities, physical handicap, matriculation, political affiliation, source of income, place of business or business in furnishing or by refusing to furnish to such person or persons the use of any facility, including any and all services, privileges, accommodations and activities provided within the Facilities. Maret's noncompliance with the nondiscrimination provisions of this paragraph IX.9 shall constitute a material breach of this Agreement, and shall constitute an Event of Default hereunder if not cured within thirty (30) days after written notice by the District (which notice shall specify the nature of such default). In the event of such an Event of Default, the District may take appropriate action to enforce compliance, may terminate the Easement and this Agreement, may declare Maret ineligible for further agreements with the District or may pursue such other remedies as may be provided by law or in equity.

10. The District and Maret acknowledge and agree that the obligations of the District to fulfill financial obligations of any kind pursuant to any and all provisions of this Agreement or any subsequent agreement, amendment, or addendum, entered into pursuant to this Agreement or referenced herein to which the District is a party, are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. Sections 1341, 1342, 1349, 1351, (ii) D.C. Official Code Section 47-105, (iii) the District of Columbia Anti-Deficiency Act, D.C. Code Section 47-355.01 – 355.08, as the foregoing statutes may be amended from time to time, and (iv) Section 446 of the District of Columbia Home Rule Act, regardless of whether a particular obligation has been expressly so conditioned. The District agrees to exercise all lawful and available authority to satisfy any financial obligations of the District that may arise under this Agreement, including, without limitation, attempting to obtain the necessary appropriations and/or the reprogramming of available funds if such reprogramming is legal and necessary to satisfy the District's financial obligations, if any; however, since funds are appropriated annually by Congress on a fiscal year basis, and since funds have not yet been appropriated for the undertakings contemplated herein, the District's legal liability for the payment of any costs shall not arise unless and until appropriations for such costs are approved for the applicable fiscal year by Congress. The District makes no representation or assurance that Congress will grant the authorizations and appropriations necessary for the District to perform any financial obligations under this Agreement. Nothing in this Agreement shall be construed as an attempt to create an obligation of the District in advance or in anticipation of any appropriation.

X. MODIFICATIONS

This Agreement shall not be modified or amended except as may be agreed to in writing and signed by the Parties.

ATTACHMENT C

SPECIAL PROJECT CONSTRUCTION PROVISIONS

I. Project Goals and Objectives

The goal is to ensure that the Project is completed on time and meets the programmatic needs of DPR. Grantee has offered to fully fund and construct the project, affording DPR reasonable access to all Project related budget information, invoices, change orders, project progress reports, and general Project documentation.

II. Scope of Services

A. Obligations of DPR

1. Time is of the essence in making decisions; therefore, DPR agrees to make decisions in a way that does not have a negative impact on the schedule provided by Grantee for completion of the Project.
2. DPR shall serve in the role of “owner” for the Project Site and all proposed modifications to the Project Plans shall be subject to review by and prior approval of DPR, which approval shall not be unreasonably withheld, conditioned or delayed.
3. DPR will assign a single point of contact (“**Representative**”) to ensure that the Project Plans are in compliance with DPR Recreation Center Specifications and DPR design guidelines. In addition, the DPR Representative will participate in meetings with Grantee during the construction of the Project, which meetings will be organized and lead by Grantee if requested by DPR.

B. Obligations of Grantee

1. Grantee will construct the Project pursuant to the Project Plans at Grantee’s sole cost and expense. As part of the Project, Grantee agrees to restore the pool on site to good operating condition. This shall include but not be limited to; restoration of the pool surfaces, deck, all necessary operating equipment, and immediate surrounding areas to their intended functioning and aesthetically acceptable condition. Grantee will lead and manage construction of the Project. The completed Project will be turned over to DPR upon completion and satisfactory inspection of the completed Project (which inspection shall be made no later than fifteen (15) business days following notification by Grantee of the completion of the Project).
2. Grantee shall be responsible for coordinating commencement of construction which includes but is not limited to obtaining all Permits.

3. Grantee shall construct the Project in accordance with applicable codes and laws.
4. Grantee shall report on the construction of the Project to DPR.
5. Grantee shall provide to DPR a monthly report on the status of the Project.

C. Plans and Documents

Grantee shall make all permanent and final plans and any related warranties available to DPR upon the completion of the Project. This shall include “as built” plans reflecting the completed Project.
