RE: Changing the Hours on Parking Meters on 38th and 39th Street

Dear Director Kershbaum and Director Freeman,

On July 1, 2024 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above referenced matter:

After consulting with both the Departments of Transportation (DDOT) and Parks and Recreation (DPR) as well as the Burleith Citizens Association, neighbors, and Medstar GU Hospital, ANC 2E recommends that DDOT adjust the hours on the metered parking spaces on the 1600 & 1700 blocks of 38th Street NW (west side) and 39th Street NW (east side) -- between Reservoir Road and S Street NW -- alongside Duke Ellington Field. We recommend that the hours be decreased from 4 hours to 2 hours. This is in advance of the upcoming revitalization of the field by DPR which is intended to increase and improve field use.

Chair Gwendolyn Lohse (2E06@anc.dc.gov) and Commissioner Kishan Putta (2E01@anc.dc.gov) are the Commission's representatives in the matter.

Respectfully submitted,

Gwendolyn Lohse

Chair, ANC 2E
