Dear Chair Garrett,

On November 3, 2024 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (6-0-0) with regard to the above-referenced matter:

ANC 2E asked that these Washington Gas boxes/towers located go to OGB for review and some level of effort is made by Washington Gas to make the towers more aesthetically pleasing given they are located in a historic district. Moreover, the ownership and safety aspects of these boxes/towers must be addressed on the boxes/towers (currently there are no consistent markings).

Chair Gwendolyn Lohse (2E06@anc.dc.gov) is the Commission's representative in this matter.

Respectfully submitted,

Gwendolyn Lohse
Chair, ANC 2E
