RE: DDOT OP #11105030 – Request to deny application until after applicant presents at a ANC 2E Monthly Meeting

Dear Ms. Hill,

On February 3, 2025 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by eight commissioners, constituting a quorum. At this meeting the Commission adopted the following positions on matters scheduled for consideration by the Old Georgetown Board on February 6, 2025:

Whereas: ANC 2E requested and received confirmation that the applicant will present at our February 3rd Monthly Meeting. The ANC and residents were to receive a brief presentation of the applicant's work along Wisconsin Avenue NW between S Street and Reservoir Rd NW (1600 and 1700 blocks), pose questions and receive a point of contact for the project should any developments occur during the project.

Whereas: No representative attended our February 3rd meeting, and our ANC2E residents still have questions about the scope of work and the need to receive a point of contact to address issues as they could arise.

Therefore be resolved: ANC 2E strongly requests that DDOT not issue a permit to this applicant until after the applicant has presented and answered fundamental questions about their scope of work, and announces a point of contact in front of our community at

COMMISSIONERS:

Kishan Putta, District 1	Topher Mathews, District 2	Paul Maysak, District 3
Peter Sloniewsky, District 4	Mimsy Lindner, District 5	Gwendolyn Lohse, District 6
Daniel Chao, District 7	Knox Graham, District 8	

our next monthly meeting (March 3, 2025) or of any other future monthly meeting scheduled in 2025.

Commissioner Chao is the Commission's representative in the matter.

Respectfully submitted,
