RE: Repaving of Reservoir Road Request

Dear Director Kershbaum,

On June 2, 2025 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above-referenced matter:

ANC 2E requests that the District Department of Transportation prioritize the repaving of the 3300 block of Reservoir Road NW. The roadway is in significantly poor shape. The uneven surface causes the large trucks that frequently use this corridor to shake the ground dramatically. This shaking has the potential to damage the foundations and other elements of the homes on this street. District records incorrectly indicate that this block was resurfaced in the fiscal year 2020 and is not scheduled to be resurfaced in the next several years. Evidence indicates that the block has not been repaved since at least 2009. ANC 2E requests that DDOT prioritize this block for resurfacing this year.

Commissioner Topher Mathews is the Commission's representative in this matter.

Respectfully submitted,

Gwendolyn Lohse
Chair, ANC 2E
