RE: Public Space Permit application #11162795 has been filed for Parklet at 1069 Wisconsin Avenue NW

Dear Chair Garrett,

On May 4, 2026 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by five commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (5-0-0) with regard to the above-referenced matter:

This Parklet at 1069 Wisconsin Avenue is very popular and used by many visitors to Georgetown. Unfortunately, it is situated in a location that is plagued with traffic congestion from cars and Commercial vehicles. It is a common occurrence to have trucks double parked to unload as they are unable to access commercial loading/unloading spots because of illegally parked cars. This may cause this area to have only one moving travel lane. This Parklet also sits on 2 would be parking spots. Traffic is often backed up on Wisconsin Avenue, and sometimes in the Georgetown Park Garage.

I do not believe that removing this Parklet will solve the problem at this location, but it might make things slightly better. *Upon removing the parklet, ANC 2E would also like to see DDOT, the Georgetown BID, and DPW work together to solve the problem* in this area which includes the exit to Georgetown Park. I'd also like to note that DPW traffic and parking enforcement (or lack of) throughout Georgetown is a huge problem. Proper enforcement might help solve many of our consistent problems.

COMMISSIONERS:

Kishan Putta, District 1 Topher Mathews, District 2 Paul Maysak, District 3
Peter Sloniewsky, District 4 Mimsy Lindner, District 5 Gwendolyn Lohse, District 6
Daniel Chao, District 7 Knox Graham, District 8

Commissioners Mimsy Lindner (2E05@anc.dc.gov) and Topher Mathews (2E02@anc.dc.gov) are the Commission's representatives in this matter.

Respectfully submitted,
