**RE: Public Space Construction Permit application #456069 at 2910 Olive Street NW, Washington, DC 20007**

Dear Chair Garrett,

On May 4, 2026 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by five commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (5-0-0) with regard to the above-referenced matter:

ANC 2E appreciates that Washington Gas responded to some of ANC 2E's feedback on the initial proposal regarding the need for a better design that was safer and more visually appealing. Our Public Space Committee and Public Service Commission should continue to demand better placement and a more visually organized and labelled Washington Gas equipment, especially in our historic neighborhoods. There are 16 of these 'poles' proposed by Washington Gas, several of which are in Georgetown, and we assume all 16 will be updated.

Commissioners Gwendolyn Lohse ([2E06@anc.dc.gov](mailto:2E06@anc.dc.gov)) and Topher Mathews ([2E02@anc.dc.gov](mailto:2E02@anc.dc.gov)) are the Commission's representatives in this matter.

Respectfully submitted,

Topher Mathews  
Chair, ANC 2E

COMMISSIONERS:

Kishan Putta, District 1      Topher Mathews, District 2      Paul Maysak, District 3  
Peter Sloniewsky, District 4      Mimsy Lindner, District 5      Gwendolyn Lohse, District 6  
Daniel Chao, District 7      Knox Graham, District 8
