RE: Application by 55 Seventy DC BevCo for a Substantial Change Retailer's Class "C" Tavern License at 1115 30th Street, N.W. (ABRA-135513)

Dear Chairman Anderson,

On August 31, 2026 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by six commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (6-0-0) with regard to the above-referenced matter:

ANC 2E protests this application for substantial change to the current ABCA application based on peace, order and quiet. Disruptions to the residents are of paramount concern. There have already been discussions with the applicant about the problems associated with summer gardens, and in particular rooftop decks. It should be of no surprise to the applicant that 2E will not support this request.

ANC 2E looks forward to further discussions with the applicant.

Commissioners Topher Mathews (2E02@anc.dc.gov) and Mimsy Lindner (2E05@anc.dc.gov) are the Commission's representative in this matter.

Respectfully submitted,

Topher Mathews
Chair, ANC 2E
